- ChrisSampson87** There's very little discussion of the role of time-preferences in developed countries - eg NICE #HEJC
Mon May 6 9:19:10 PDT 2013
- ChrisSampson87** seems odd given their interest in the policy implications #HEJC

Mon May 6 9:19:18 PDT 2013
- ChrisSampson87** Not sure about the decision to only review post-2002 literature #HEJC
Mon May 6 9:21:23 PDT 2013
- ChrisSampson87** the FLO review is not health-specific and the Chapman review doesn't seem very comprehensive #HEJC
Mon May 6 9:21:41 PDT 2013
- ChrisSampson87** The authors' 'exemplification' of time preference on p2 is wrong - it's just utility-maximising... #HEJC
Mon May 6 9:25:08 PDT 2013
- ChrisSampson87** ... the example needs to show preference for immediate consumption #HEJC
